EDUCATION:

BA/BS in Computer Science from Covenant College; Graduated in May 2000
SAT score: 1470
Other Concentrations: Marketing, Small Business
Major GPA: 3.9 Cumulative GPA: 3.4

AWARDS:

Computer Science Department Scholarship
Maclellan Scholarship - the highest scholarship Covenant College offers.

NOTABLE DISTINCTIONS:

I am able to learn new skills very quickly. I am creative and always look for better ways of doing things. I have strong individual and group skills. My past jobs and my concentration in business have given me a better than average understanding of business management and activity. I never like to leave a problem unsolved.
